“Receive my Initiation not for yourself alone, but that you may Bless others with it. For I won God’s New Covenant and Supreme Promise not for one Soul, but for all Souls. And God Blesses The Receiver, but Glorifies The Giver.”

What Maitreya Has Won For You

Maitreya The Friend of All Souls

What Maitreya Has Won For You and All Souls

Dear Aspirant:

Thank you for taking a moment to hear about Maitreya and God's New Covenant and our Holy Mission. I call you "Aspirant" because it is my absolute conviction that, down deep, all Souls aspire to reclaim their rightful Union with God and the Perfect Total Freedom that comes from Perfect Final Union with Him.

Maitreya is not a reincarnated Christ or Buddha or any other of the many Mercies that God has sent to Mankind. Maitreya is a new Mercy to Mankind that God has awakened within and sent forth upon this earth in this day and age of Darkness to save Humanity from total self-destruction and bring God's New Covenant of Universal Salvation and Liberation to you and all

Souls. Maitreya did not name Himself. God named Him Maitreya The Friend of All Souls because He sacrificed His own Perfect Final Union with God twice after having attained it twice and because He made a Vow of Compassion that He will never again take His own Perfect Final Union with God until He has seen all Souls safely Home into Perfect Final Union with God before Him.

No greater friend is there than what Maitreya has done and what He has won for you and all Souls. Because of His two Self-Sacrifices and Vow of Compassion, God made this New Covenant with all Souls that, "Whosoever will receive The Friend's Holy Initiation and follow him to the end of this life, I (God) will give unto that Soul the very Perfect Final Union that The Friend has sacrificed for the sake of all Souls." Further, God gave His Supreme Promise that, "Whenever enough Souls have received The Friend's Holy Initiation and are following him according to My New Covenant, I will spontaneously and without further qualification, give My New Covenant into the hearts of all Souls and all Souls will have the chance to come Home into Perfect Final Union with Me at the end of his or her life."

This, which Is written is the Truth and nothing but the Truth. We know that it is The Truth, but you do not yet know that it is The Truth. Some have said that they do

not believe in Maitreya because He did not have a witness to His Self-Sacrifices and Vow and the New Covenant and Supreme Promise He has won from God. But Maitreya does have a Witness. The one and only Witness He needs. God is Maitreya's Witness as Maitreya is God's witness. If you truly want to know that what is written herein is The Truth, turn within the Inner Sanctuary of your heart and ask God to give you His Witness of this Truth. If your heart is pure and your mind is clear and free of prejudice, He will give you His Witness of this Truth. Then and only then are you free to come to Maitreya and receive His New Covenant. Then and only then are you free to join Him and we, His Maitreyians, in accomplishing the Holy Mission that God has given unto Maitreya and unto all Maitreyians through Him: The Supreme Holy Mission of winning Universal Salvation and Liberation for all Souls and securing the continued Survival of Humanity. For, no man comes to Maitreya except that he is called by God. Once you have received God's Witness, ask Him to make you know whether you are right and ready to come and join Him through Maitreya. For the road that we must
